Facility Dashboard Overview

What is the Facility Dashboard and how do I get to it?

The Facility Dashboard provides an overview of data that needs to be submitted in EQRS but is dependent on what has been entered into EQRS

The screenshot shows the EQRS Patient Registry interface. At the top, there is a navigation bar with the EQRS logo, 'Patient Registry', and the organization name 'ABC DIALYSIS'. A red box highlights the 'Dashboard' link in the top right navigation area. Below the navigation bar, there is a sidebar on the left with 'MANAGE ACCESS' and 'PROFILE' sections. The main content area is titled 'My access' and contains a card for 'Patient Registry' with a 'View access' link.

The 'Dashboard' tab is highlighted in a red box, with other tabs for 'Facilities', 'Patients', and 'Reports'. Below the navigation bar is a search bar with the placeholder text 'Enter CCN or NPI'. The main content area is divided into two columns. The left column contains several summary cards: 'Form 2728' with 'New: 0', 'Due: 0', and 'Past due: 0'; 'Form 2746' with 'Due: 0' and 'Past due: 0'; 'Accretions' with 'Unresolved: 0'; 'System Discharges' with '2024: 0' and '2023: 0'; and 'Form 2744 Status' with '2023: Finalized'. The right column features a yellow warning banner with a triangle icon and the text 'Add a backup facility to your facility. Please add a backup for your facility by navigating to the Backup facility section.' Below this is the 'Facility Dashboard Overview' section, which includes 'Upcoming Reminders' with a list of deadlines: '08/01/2024 2:59 am EDT - Clinical Data submission deadline for the May 2024 clinical period.', '09/04/2024 2:59 am EDT - Clinical Data submission deadline for the June 2024 clinical period.', '10/01/2024 2:59 am EDT - Clinical Data submission deadline for the July 2024 clinical period.', and '03/01/2025 2:59 am EST - Commitment to Health Equity Attestation reporting period closes for the January 1 - December 31, 2024 assessment period.'
